Independent Suppliers Group Announces Q2 2021 Rebate Distribution

Rosemont, IL – September 15, 2021— Independent Suppliers Group is pleased to announce that it is distributing its Q2 2021 rebates of more than \$6,200,000. This is nearly a 40% increase over the same quarter last year. The distribution is scheduled for September 16, 2021.

In addition to the Q2 rebates, ISG is once again issuing a patronage dividend to its shareholders of record, with the total distribution exceeding \$1,180,000. This distribution will take place September 15, 2021. This is another example of the value ISG brings to its shareholders.

Jordan Kudler, Chairman of ISG said “These strong Rebate and Dividend distribution amounts exemplify those benefits of participating in the Direct Buy programs that ISG provides to its members. Earlier this year I had called for unity amongst our members. Standing behind our supplier partners, buying direct, and selling brands, delivers results, and distributing \$7,380,000 to our membership is proof positive. I encourage our members and vendor partners to join Independent Suppliers Group for Industry Week 2021 this November, in Orlando, Florida so we can build on this momentum moving forward.”
